

A total health plan solution

Discover the health plan that brings together everything you need to provide high-quality, affordable healthcare to your employees.

A complete health plan offering easy access to care plus deep savings up to 30%

Member-centric plan administration earns high scores from HR and members

Price protection from the undisputed leader in reference-based pricing

Real results from real clients:

31%

Auto dealership's savings compared to traditional health plan.

\$11M

Long-term care company's savings in year one.

\$4.8M

Restaurant operator's savings with no deductible increases four years running.

Competitors promise savings and high-touch member care but **can't deliver.**

Here's why clients are switching to our solution:

Leader in RBP

Our groundbreaking reference-based pricing solution continues to improve, with features you won't find in any other RBP solution.

Industry-leading Artificial Intelligence

Leveraging powerful AI, we can minimize member disruption and preserve plan savings.

Proactive member guidance

Our proprietary care navigation services are continually updated with cost, quality and access data. Members can view this data through our online portal or call us directly for guidance.

Unlimited support

We've built the strongest member advocacy team in the industry with complete healthcare guidance, billing resolution and proactive member support with one easy number to call.

Plan flexibility

We offer industry-leading TPA services to help you build a plan that best suits you and your employees — including customized programs for pharmacy, stop loss, wellness and more.

More **savings**. More **control**.
A better **healthcare experience**.
