

## Hydrogen Health Uniquely Addresses the Primary Care Crisis Through Our:

### Virtual Primary Care

Virtual services that can diagnose and treat dozens of chronic conditions

### Secure Text and Video

Access to providers across multiple channels enables highly user-friendly care

### Deep AI Layer

Superpowering our doctors to deliver high quality care while reducing typical practice variation

### Personalized Care

Support for both urgent needs and proactive patient engagement to drive better longitudinal care

# Hydrogen+health

Take the first step to improving your employees' health
