## You shouldn't need a Ph.D. in calculus to draft a managed care agreement.

With Clear Contracts, you'll build upon best practices in prospective payment and boilerplate contracts drafted by managed care lawyers and ready for your use.

### Everything you need all in one place.

- ✓ Easy-to-use interface
- ✓ Reference pricing data and insights
- ✓ Version history and changelog
- ✓ Unlimited users
- ✓ Legally binding e-signature
- ✓ Native commenting and email push notifications

### Clearly outline what you want. Then get it.

#### MULTIPLE CONTRACT TYPES

- ✓ Single Case Agreements
- ✓ Retrospective Dispute Resolutions
- ✓ Group Health Agreements (coming soon!)
- ✓ Convener/Capitation Agreements (coming soon!)

### It's the easiest way to seal a deal since the handshake.

Avoid negative downstream effects by choosing software-enabled negotiation that's free of long email chains, legal fees, and missed opportunities.
