Making it easier to care for your employees

We work with your existing health and wellbeing resources and partners to make sure employees can access all their health benefits, programs and navigation tools in **one simple, secure location**.

Creating a trusted **home for health** for your employees and their families is our priority.

We are here to help you deliver a world class experience for your employees and drive meaningful savings for your organization. This is health navigation with Castlight.

*Risk adjusted comparison of members fully engaging with Castlight's navigation solution versus non-users
